Dear Gerry,

We acknowledge receipt of and thank you for your letter  
of 14th inst.

At time of writing we and the Williams family are pursuing  
this matter through our respective Foreign Offices, and I  
regret to say that the response from Dublin which we  
received last week was most disappointing.

We thank you for your interest and support and will keep  
you informed of any further developments at this end.

Yours sincerely,
